TASTING NOTES: The 2019 vintage of our Grecanico has given its best through an exceptional balance between strength and elegance. On the nose the mineral and floral notes are perfectly integrated with each other, aromas of cedar, melon, pears and wild white flowers, boxwood. In the mouth it is vibrant, but creamy and silky with a white peach note.

MATCHING: The contrast between savoury and sweetness confers a gastronomic strength that makes it suitable for matching with simple dishes such as a warm seafood salad as well as with more complex ones like a spicy Asian dish with sweet sour sauce. It can be matched with appetisers of Mediterranean cooking and with vegetarian cookery. Serve at 10° C.
