

Alastro 2023

Menfi DOC

80% Grecanico e 20% Sauvignon Blanc

Named after a wild flower which grows around our winery, this is a blend based on Grecanico mixed with a small percentage of a notably aromatic variety, Sauvignon Blanc, both cultivated according to the criteria of sustainability and organicity. It is one of Planeta's great classics, delicately structured, and has been in production since the first vintage in 1995.

NOTES ON THE VINTAGE - MENFI 2023

The Menfi area reacted more than well to the year. The sea breeze, typical of the area, made the plant disease load perfectly controllable. The heat at the end of July sped up the harvest, which however started significantly late, normalizing the start dates and giving us a harvest as quick as a Viennese waltz! The smaller quantity (about 15%) at least improved the quality of the grapes. A special note to the white grapes, both aromatic and non-aromatic, both native and French. Aromatic, precise and intense whites. Sauvignon Blanc in the lead.
